

100 WOMEN WHO CARE NEWSLETTER

Volume 07 July, 2024

MAY RECIPIENT

The recipient of our most recent collective gift is Right Tree, an Elk Rapids nonprofit dedicated to empowering young women by helping them discover their worth, gifts, voice, and future. They strive to foster personal growth through after-school programming, outdoor adventures, and community service projects.

Viv Darnell, Kennedy Kuznicki, Craig Mosher - Founder and Board Member, Beth Pryde - Board Member, Deb Broderick - 100 Women Who Care, Olivia Godden, Addison Coats

\$26,700 DONATION

So far, they have used a portion of our gift to replace worn out camping gear, and plan to apply the remainder towards larger expenses such as their pontoon boat and trailer. Expanding programming is also a priority. Craig Mosher, founder and Board Member, described the gift as “transformational” and is grateful for our generous donation that allows them to pursue these goals.
